CLEVELAND, Ohlo, Aug. 6.—The second North Randall Grand Circuit harness horse meeting of the season will open to-morrow afternoon with practically every noted trotter and pacer that performed at the July meeting here again entered. Racing will continue for five days, Saturday being held as an open date in case of rain.

Stakes and purses aggregating \$4,000 will be distributed during the week. This may be exceeded, as everal races have unusually large fields and may have to be split, each division racing for a like amount. Grand Circuit followers say the horses are just rounding into perfect racing form and predict sensational performances and possible breaking of records at the North Randall meeting.

Bauer in Letter Tells Hylan Demonstration Entails No Personal Risk.

An invitation to Mayor Hylan to atthe most exacting conditions of pyrene fire extinguisher, which the Mayor has insisted was responsible for much suffering on the occasion of the fire in the Lexington avenue subway, was issued yesterday by Walter Bauer, president of the Fyrene Manufacturing Company, who also requested the Interporpany, who also requested the Interbor ough Rapid Transit Company to arrang for the test.

Mr. Bauer made public his letters to the Interborough and Mayor Hylan and also one to the Corporation Counsel.

The Mayor and his Commissioners evidently are priming themselves for a political fight this fall and since the Transit Commission, a legal State body which has these matters under its supervision, has come out strongly in favor of pyrene, the Mayor apparently sees, an opportunity for making political capital by denouncing this product. If he is honestly in error a public demonstration of Pyrene extinguishers in action under exacting conditions ought to be final and convincing.

The real cause of the suffering in the Lexington avenue subway fire was burning insulation, as the Transit Company mission, after a lengthy investigation.

THIRTY-FIVE STATES **VOTE WET AND TWO DRY** 

'Literary Digest' Poll 298,339

to 181,704 for Beer. A majority of the States so far figuring in the poll being taken on the wet and dry question by the Literary modification of the prohibition law as t: exists, according to the poll returns

and the statements in this week's issue of the publication, which says: "The amendment, enforced, in opinion of the extreme drys, is suffic to insure an absolutely dry nation. is interesting to note, therefore, that in the present tabulation, leaving out of consideration States in which the vote is thus far less than 100, only two States, Kansas and Arkanses, show a, total vote in favor of the continuance of the present amendment and Voltotal vote in favor of the continuance of the present amendment and Voistead act. The thirty-five other States show a majority in favor of a change."

The summary of the poll to date shows 181,704 in favor of strict enforcement of the amendment and the Voistead act. 198,864 in favor of a modification permitting light wince and beers, and 101,475 in favor of repeal of the amendment.

"We are satisfied that there were 100 cases aboard the launch," Mr. Clark said. "Where it went to is the question we hope to obtain an answer,"

CALL FOR IRISH VENGEANCE.

PHILADELPHIA, Aug. 6.—Resolutions calling on the Irish race throughout the world to unite in avenging the death of Harry Boland and Cahai Brugha and to continue the fight until the ideals of Boland and Brugha are realized, and until "the last vestige of British power and authority is driven from the shores of Ireland" were adopted to-day at a mass meeting of sympathizers with the Irish Republic movement.
